BYCURE® DERMOCOSMETICS

**DEVELOPED UNDER
MEDICAL PROTOCOLS**

THE REQUEST:

+ 66%

of people who attend Medical Spa and Spas, seek medical professionalism, for prevention, correction, customized protection with increased safeness.

+ 48%

In strong buildup worldwide the demand for non-invasive specific anti-aging treatments and longer lasting effects.

THE ANSWER:

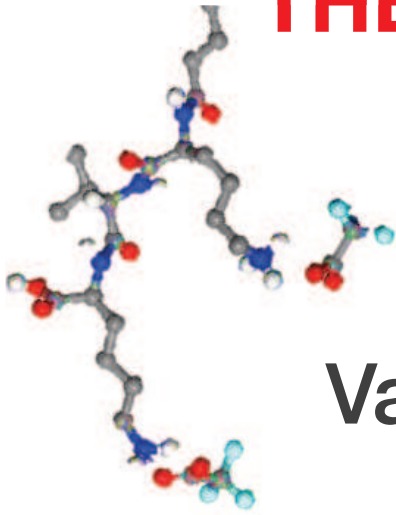

THE BYCURE METHOD

A NON INVASIVE EFFICACY, MEDICAL, CERTIFIED

BYCURE® Skin Solution Line:

- **BYCURE® DERMOCOSMETICS**
- **YOUNG AGAIN®**
- **E-LIGHT®**

THE BYCURE METHOD

Unique method
Validated by Doctors

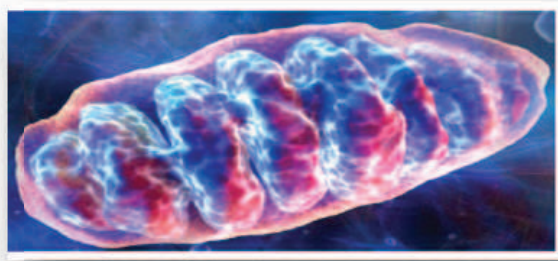

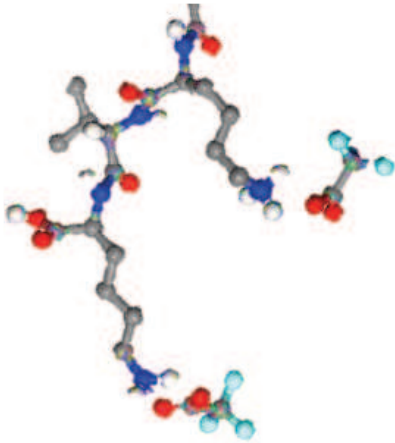

MEDICAL PROTOCOLS

Developed to **combine the experience of professional aesthetics with medical knowledge** about anatomy and physiological interaction mechanisms between skin and cosmetics applied.

**DEVELOPED UNDER
MEDICAL PROTOCOLS**

A totally new medical and pharmaceutical approach that **synergically combines dermocosmetics and YOUNG AGAIN[®] technology.**

THE BIO-MIMETIC METHOD[®]

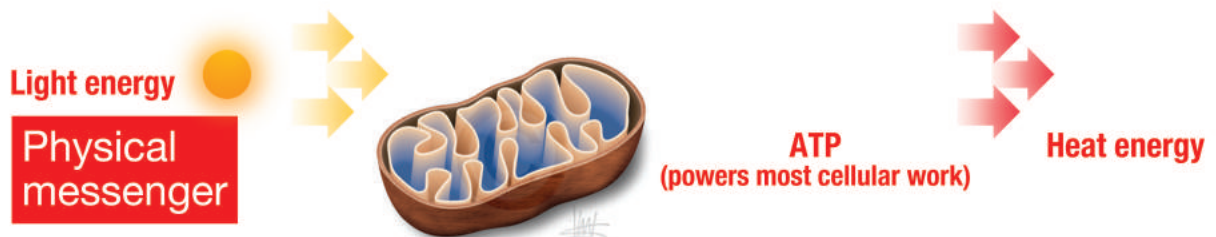

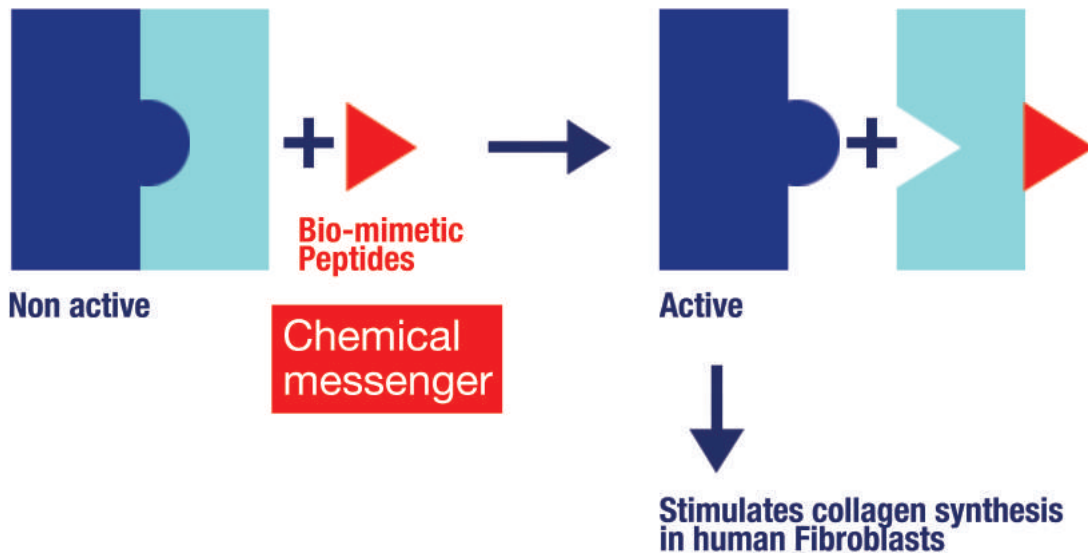

BIO-MIMETIC
DERMOCOSMETICS

BYCURE[®]

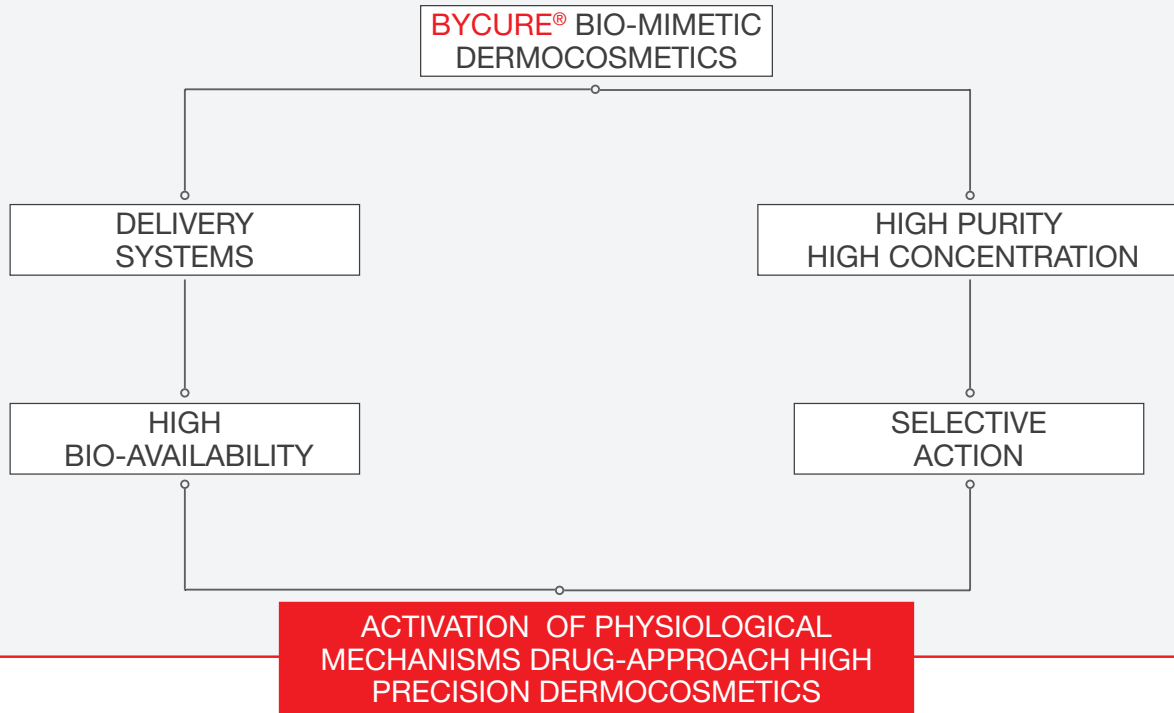

BIO-MIMETIC
TECHNOLOGY

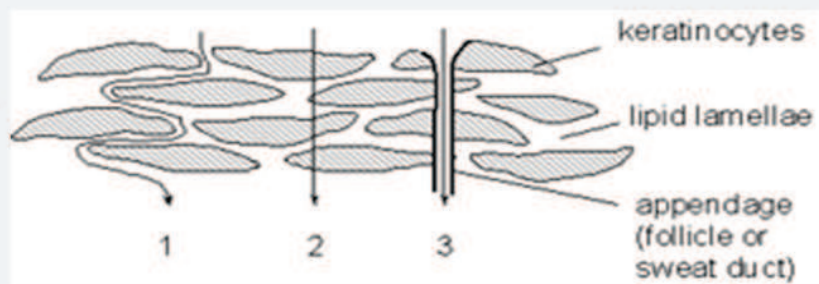

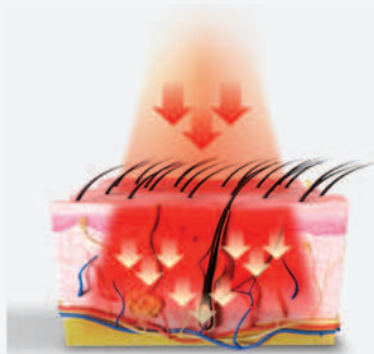

YOUNG AGAIN[®]

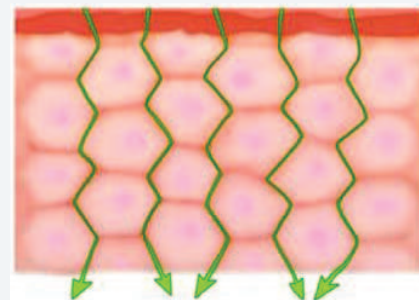

BIO-MIMETIC DERMOCOSMETICS®

THE BIO-MIMETIC TECHNOLOGY®

YOUNG AGAIN® improves transepidermal penetration of active ingredients and emphasizes drainage and heating of stratum corneum's ceramides: the intercellular space expands and **BYCURE®** dermocosmetics may penetrate faster through keratinocytes.

**DEVELOPED UNDER
MEDICAL PROTOCOLS**

COSMETICS MEET MEDICAL DEVICES TO :

SKIN ANALYZER
BE-CHECK®

- **Prevent and correct** signs induced by time
- **Reinforce** the antioxidant skin power
- **Optimize** skin conditions
- **Extend and maintain** results of medical-aesthetic treatments.

THE BYCURE METHOD

DEVELOPED UNDER
MEDICAL PROTOCOLS

The **BYCURE**® anti-aging treatments have a variable duration between 10 and 60 minutes and are based on specifically studied medical protocols
